don't see what your looking for . . .

We encourage you to visit our warehouse / showroom for ideas and suggestions pertaining to your event. We have many unique and one of a kind items in our inventory that aren't featured on our website. We can help you determine the correct rental items and quantities, as well as assist you in finding rental items we don't stock.

delivery

Delivery is available at a nominal fee within our standard delivery areas. We provide special containers for our china, glassware, etc. to insure the rentals are delivered clean, safely and "table ready". Our delivery staff are instructed to stack all items neatly in a convenient area upon delivery. Delivery charge above the first floor may increase.

pick up

All china, glassware, etc. should be food free and re-packed into the same container it which it arrives. Linens should be refuse free, dry and placed into the laundry bag provided. We appreciate all items being assembled into a single location for pick up.

damage - loss

Responsibility of the equipment remains with the lessor from the time of delivery to the time of return. Please be sure your rentals are secured and protected from incimate weather when not being used. We charge for broken, damaged, and missing items.

damage waiver

You may elect to pay a fee equal to a fixed percentage of the cost of your rentals, in lieu of additional charges for damaged items. Damage waiver covers a fixed percentage of loss and damage, but does not cover theft or improper use or abuse of rental items.

pricing

All charges are accrued for time out on all rentals. We make every effort to represent our inventory and pricing as accurately as possible. However, both are subject to change without notice.

notes

Thank You for Choosing . . .
